

Angela Sofia Tino: Curriculum vitae et studiorum

Personal data

Name and surname: Angela Sofia Tino
Date and place of birth: 10 May 1997, Napoli
Nationality: Italian
Institutional e-mail: angela.tino@stud.unifi.it

Education

2011-2016: Liceo Classico Galileo, Florence. Final grade: 100/100.

2016-2020: First level Degree in Chemistry, University of Florence. Final grade 109/110.

Thesis title: "Synthesis and immunological evaluation of mono- and di-glucosylated peptides of Myelin Oligodendrocyte Glycoprotein rMOG(25-55) in the Experimental Autoimmune Encephalomyelitis as a model of Multiple Sclerosis".

Supervisor: Prof. Anna Maria Papini.

2020- : Second level Degree in Chemistry of Biological Molecules, University of Florence.

Thesis title: "Synthesis of RNA mimetic peptides and analysis by NMR of their interaction with NTD domain of SARS-Cov-2 N nucleoprotein".

Supervisor: Prof. Anna Maria Papini. Co-supervisor: Prof. Isabella Caterina Felli.

Participation to University life

2017-2021: Students' representative in the Chemistry Department Council of the University of Florence.

2017-2021: Students' representative in the Chemistry Degree Council of the University of Florence.

2022- : Students' representative in the Mathematical , Physical and Natural Science School of the University of Florence.

Languages

Italian: mother tongue

English: B2 level

Hobbies and other skills

I love listening music and enjoy singing and playing piano and guitar.

I like trekking, cycling and swimming: I was an agonistic swimmer for 10 years and runner for 2 years.

At present, I'm attending calisthenics courses.

In free time, I read books, write poems, cook and meet friends.
